

### **Seminar Overview**

The Strategy seminar looks in-depth at disciple-making from the life of Christ. Since 1980, Sonlife has been training a biblical understanding of the Great Commission and Great Commandment. This training is designed to help ministry leaders gain a simple yet fresh glimpse into the process of movement-building, based on the “Son’s life”.

This seminar provides a chronological “overview” of the life and ministry of Jesus. We’ll spend significant time examining Jesus’ pattern of disciple-making as he invested into his disciples. Using a harmony of the gospels, we’ll together study the historical and cultural contexts in which Jesus equipped his disciples. We’ll also look at the periods of time and phases in Christ’s journey that are foundational for healthy ministry development.

Additionally, attendees will identify key disciple-making principles to be able to apply to their lives and unique ministry context. Our goal is to renew a passion for disciple-making and a greater commitment to live out the character and priorities of Jesus. This training is for anyone who has ministry responsibility and desires to use their life to help others walk as Jesus walked (1 Jn 2:6) and make disciples like Jesus (Jn 14:12).

During the Strategy Seminar, we will answer the following questions:

- The Model- Why is Jesus our model?
- The Mission- What is our mission? Great Commission
- The Motive- What is our motive? Great Commandment
- The Method- What are the steps to becoming a mature disciple?
- The Movement- How did Jesus build a multiplying movement?

### **Seminar Host Agreement**

Sonlife requires the host ministry to pay a deposit to secure a date for our Seminars. A signed agreement by the host ministry will secure the training date (via electronic submission). The host ministry agrees to the following:

- The church must pay a \$500 advance deposit by credit card to book a seminar. This holds the date and secures the trainer.
- If the seminar has 30 or more paying participants, then the deposit will be refunded in full to the same credit card.
- If less than 30 paying participants, the entire deposit will be used by Sonlife to offset the honorarium and travel costs of the trainer.
- Provide lodging and meals for the trainer at the host's expense
- Confirmation of training date will be made upon paid deposit
- Secure a room for the training event
- Use the training event to advance disciple-making in their own ministry
- Actively promote the event (within their ministry, network, district, etc.)
