

# X Strategy SEMINAR

## HOST PACKET

Thank you for your interest in hosting Sonlife's Strategy Seminar. Our Host Packet provides the blueprint you need for hosting the Seminar. It is our hope that this training will play a significant role in your overall strategy for building a ministry that multiplies disciples who make disciples. If you have further questions, please contact our Operations Manager.

### Seminar Overview

The Strategy seminar looks in-depth at disciple-making from the life of Christ. Since 1980, Sonlife has been training a biblical understanding of the Great Commission and Great Commandment. This training is designed to help ministry leaders gain a simple yet fresh glimpse into the process of movement-building, based on the "Son's life".

This seminar provides a chronological "overview" of the life and ministry of Jesus. We'll spend significant time examining Jesus' pattern of disciple-making as he invested into his disciples. Using a harmony of the gospels, we'll together study the historical and cultural contexts in which Jesus equipped his disciples. We'll also look at the periods of time and phases in Christ's journey that are foundational for healthy ministry development.

Additionally, attendees will identify key disciple-making principles to be able to apply to their lives and unique ministry context. Our goal is to renew a passion for disciple-making and a greater commitment to live out the character and priorities of Jesus. This training is for anyone who has ministry responsibility and desires to use their life to help others walk as Jesus walked (1 Jn 2:6) and make disciples like Jesus (Jn 14:12).

During the Strategy Seminar, we will answer the following questions:

- The Model- Why is Jesus our model?
- The Mission- What is our mission? Great Commission
- The Motive- What is our motive? Great Commandment
- The Method- What are the steps to becoming a mature disciple?
- The Movement- How did Jesus build a multiplying movement?
